The text "Olympic House, Switzerland" is positioned in the upper right quadrant of the image. It is written in a small, black, italicized sans-serif font. The background behind the text is a large, circular skylight with a complex metal grid structure, through which natural light is streaming. The surrounding architecture is made of light-colored wood panels, creating a warm and modern atmosphere.

The main title "BENDING PLYWOOD" is centered in the lower half of the image. It is set against a dark blue rectangular background. The text is in a large, bold, white, sans-serif font. The background of the entire image is a photograph of a modern interior space featuring curved wooden walls and a large skylight. A curved wooden bench is visible on the left, and a curved wooden staircase is on the right. The overall aesthetic is clean, minimalist, and emphasizes the use of wood in a curved form.

## SPECIAL GRADE

Gooloong® Bending Plywood is a lightweight, bendable plywood that can curve around tight, circular radius with ease. It has many uses including chairs, columns, spiral stairways, interior furnishings, and reception desks. Gooloong® Bending Plywood eliminates the need to bend plywood with complex machines, thereby reducing costs and saving time.
